COYOTE AND FOX TRAPPER RECORD FOR HOUND RUNNING AREAS
MISSOURI DEPARTMENT OF CONSERVATION

Rule 3CSR 10-8.515 Furbearers: Trapping Seasons. Section (7). Red fox, gray fox and coyotes may be taken alive during established seasons by prescribed methods and held in captivity. They may not be exported and may only be sold or given to holders of a valid Hound Running Area Operator and Dealer Permit. Live coyotes, red fox and gray fox may not be possessed after February 15. These animals may be held for no longer than seventy-two (72) hours after capture, except when confined in facilities and cared for as specified in 3 CSR 10-9.220, and after approval by an agent of the department. Complete and current records of all transactions must be maintained showing the county of origin, the species, date captured, date of transfer and name and permit number of the hound running area operator/dealer receiving each individual animal. These records shall be kept on forms provided by the department and submitted to an agent of the department by April 15. Records shall be made available for inspection by an authorized agent of the department at any reasonable time.

Name: _____

Address: _____

City, County, Zip Code: _____

Trapping Permit Number: _____

Name of Person to Whom animals were transferred	Hound Running Area Name	Address Street, City, State, Zip Code	Hound Area Permit Number	Species	County of Origin	Date Trapped	Date of Transfer
