Our summer programs offer close encounters with nature and fun hands-on activities.

MDC offers programs in June, July, and August. All programs are targeted to specific age groups.

Senior programs available upon request.

Call your nearest conservation area listed to reserve an outreach program.

Reservations begin at 8:30 a.m. on Wednesday, January 26.

One program per group, please.

Missouri Department of Conservation Summer Programs 2011

Capture your imagination as Naturalists bring touchable artifacts to your summer program.

Summer outreach programs offer children ages 3 to 15 the opportunity to learn about the wonderful world of nature in an exciting, hands-on way.

*We help people
discover nature.*

Summer Adventure Programs

Conservation programs promise an entertaining and educational experience with nature. Choose from a variety of topics for your presentation.

Turtles for Tots

Ages 3 - 6

It's time for turtles! How are turtles different from other animals? Where do they live? What do they eat? This fun and interactive program will answer these questions by introducing your students to the ancient reptile that carries its home on its back.

Audience: 15 - 25 per session
Length: 45 minutes
Facility preferred: Indoors

Reptiles of Missouri

Ages 6 and older

Lizards and turtles and snakes. Oh my! What makes an animal a reptile? Find out the answers to this question and touch live reptiles in this fun program.

Audience: 25 - 50 per session
Length: 45 minutes
Facility preferred: Indoors

Going Buggy

Ages 6 and older

Discover how an insect lives. Explore the awesome adaptations and lifestyle of an insect. Experience the world through the eyes of an insect and join in a six-legged relay race.

Audience: 25 - 50 per session
Length: 45 minutes
Facility preferred: Indoors or Outdoors

Be a Bird

Ages 3 - 6

Take a close look at a bird's wings, feet, and beak. Learn how these body parts and other adaptations are essential for a bird to survive in the wild! After a short bird discussion, you will use wings, feet, and beaks to practice bird survival techniques.

Audience: 15 - 25 per session
Length: 45 minutes
Facility preferred: Indoors & Outdoors

Poisonous & Venomous Things

Ages 6 and older

Are you leery about going outside for fear of snakes, spiders, or poison ivy? Well have no fear. With a bit of know-how you can easily learn to identify some common outdoor hazards and safely enjoy the great Missouri outdoors.

Audience: 25 - 50 per session
Length: 45 minutes
Facility preferred: Indoors or Outdoors

Wild in the City

Ages 6 and older

Buildings, cars, trucks . . . and coyotes? Which animals call the city their home? Discover how and where many of our furry, feathered, and scaly city residents live. Touch real mammal pelts.

Audience: 25 - 50 per session
Length: 45 minutes
Facility preferred: Indoors or outdoors

Staying Alive

Ages 6 and older

Learn what makes up a habitat and why all living creatures need one to stay alive. With animal artifacts, we will learn how food, water, shelter, and space are essential for survival.

Audience: 25 - 50 per session
Length: 45 minutes
Facility Preferred: Indoors or outdoors

Nature Games

Ages 6 and older

Play a variety of nature related games such as: Bat/Moth, Turtle Troubles, and Animal Charades. The Naturalists will determine the game or games played based on available time.

Audience: 25 - 50 per session
Length: 45 minutes
Facility preferred: Indoors or outdoors
(Not available for Libraries)
