PROJECT INFORMATION

Location (address or coordinates of project):

Please identify the project type you are applying for:

Planning and Design

Light Infrastructure Project

Heavy Infrastructure Project

Describe project and project benefits:

Describe proposed budget. Please specify the requested amount from MDC and describe the match you will offer (match can include non-maintenance in-kind).

Describe proposed timeline as well as any phases and deliverables. Please also include a projected completion date:

**Does the project provide a new opportunity, or an expansion/improvement of an existing opportunity?
Explain:**

How many people do you estimate will utilize the proposed amenity per year? If possible, provide data to support your estimate.

**Describe the frequency of expected use (i.e. daily year-round, daily seasonally, intermittent, infrequent).
Explain:**

Describe any other supporting existing or planned infrastructure (e.g. parking lots, trails, etc.) that will enable citizens to access proposed amenity:

Is the project adjacent to MDC or other publicly owned conservation/park lands or otherwise permanently protected conservation lands (i.e. private land trust holdings, conservation easements, etc.)? Explain:

Is this project supported in a local, publicly developed greenspace, green infrastructure, outdoor recreation, or other comparable plan? Explain:

Describe the composition and quality of natural habitats (existing or planned) which users will be exposed to in association with the proposed amenity:

Describe if, how, and to what extent the project will provide opportunities for underserved populations who face significant barriers in accessing and enjoying nature and outdoor conservation-related recreation activities:

Describe the outreach strategy that will be utilized to publicize the project and partnership with MDC:

Please attach to this application the following items:

- Vicinity Map of proposed project location
- Aerial photo of proposed project layout
- Deed or proof of legal control of location of proposed project

FINAL QUESTIONS

Have you discussed this project with an employee of the Missouri Department of Conservation?

- YES NO

If so, please list the name:

Will this project be ADA compliant (Yes, No, or Not Applicable)

If not, explain why:

Does the proposed project include an archery or shooting range?

- YES NO

Is the proposed project associated with providing access to a lake or stream?

- YES NO (if NO, do not answer next two questions)

Is the project area lake or stream a part of the Community Assistance Program (CAP) with the Department?

- YES NO

Infrastructure included in the proposal includes

- | | |
|--|---|
| <input type="checkbox"/> Boat ramps | <input type="checkbox"/> Entrance roads |
| <input type="checkbox"/> Fishing docks/platforms | <input type="checkbox"/> Parking areas/parking pads |
| <input type="checkbox"/> Fishing jetties | <input type="checkbox"/> Connecting walkways |
| <input type="checkbox"/> Courtesy docks | <input type="checkbox"/> Pavilions |
| <input type="checkbox"/> Privies or restrooms | <input type="checkbox"/> Lighting |
| | <input type="checkbox"/> Fish Habitat or sediment removal |

OUTDOOR RECREATION INFRASTRUCTURE GRANT

PROJECT SCORING SHEET

(to be completed by MDC based on applicant responses and other data)

Applying organization: _____ **Project name:** _____
Reviewer name: _____ **Review date:** _____

	Criteria	If yes, point allocation	Points*:
1	Proposed project resides in a Community Conservation Tier 1 – 3	Tier 1 (7 points) Tier 2 (5 points) Tier 3 (3 points) Not in a CC Tier (0 points)	
2	Will the project provide a new or expanded opportunity or improve existing opportunities?	New or Expanded Opportunity (5) Improve/Restore Existing Opportunity (0)	
3	Expected Volume of Use (users/year)	>5001(5) 1501-5000 (4) 500-1500 (2) <500 (0)	
4	Is the project adjacent to MDC or other publicly owned conservation/park lands or otherwise permanently protected conservation lands (i.e. private land trust holdings, conservation easements, etc.)?	Adjacent to MDC lands (3) On or adjacent to protected/park lands (2) Not adjacent to any public land (0)	
5	Is this project supported in a local, publicly developed greenspace, green infrastructure, outdoor recreation, or other comparable plan?	Project specifically identified as keystone in plan (3) Project not specifically identified by, but is supported in plan (1) Project not mentioned or supported in plan (0)	
6	How much match is being offered by applicant/partners?	75% of funds or more from partner (5) >60% - 74% of funds from partner (3) 50% - 59% of funds from partner (0)	
	TOTAL SCORE*	Total points - max score 28	

Note: Some criteria above apply better to certain types of projects than others. These variances will be considered as projects are considered for funding. Project scores will help inform decisions on what projects to award, but other information deemed helpful by MDC will be used as well.

*Score is NOT a ranking. Additional criteria will be used by review committee in evaluating and ranking projects.
