MISSOURI DEPARTMENT OF CONSERVATION

# Discover nature with us.

Powder Valley Conservation Nature Center is nestled within 112 acres of oak-hickory forest — a quiet corner in a busy urban world. Leave your chaotic lifestyle behind and escape to the tranquility of nature.

## Experience wildlife up close

- Enjoy our wildlife-viewing area and get an intimate look at Missouri's wild creatures as they visit our feeders and marsh.
- Experience the wonders of backyard nature through hands-on exhibits.
- Check out our 3,000-gallon aquarium, living beehive, and live-snake exhibits.

## Walk through the forest

- Set out on one of our three paved trails — for a vigorous hike or a leisurely stroll — and enjoy hilltops, forested valleys, a creek, a pond, and the wildlife that live and grow there.

## Learn about nature

- Enjoy interactive indoor exhibits, visit the reading room, or browse the gift shop to learn more about Missouri's natural world.
- Join us for a public program or special event, or schedule one for your own organized group. Call or visit us online for details.

**Admission to the nature center is free.**
